

Anton Marku

782 Tompkins Ave, Staten Island, NY 10305.

917-972-5070, atnmku@gmail.com. github.com/AntonM-248.

Education

Hunter College. Bachelor's Degree in Computer Science. Expected graduation: Summer 2020.

- Achieved an A+ in most recent programming course, CS 135.
- Developed a custom solution over the summer for generating all possible combinations of a set of numbers if order is irrelevant. The file, gtr_ss.cpp is on my GitHub account.
- Developed various projects for classes including a Caesar cipher, calculator, and a basic social media program.
- Collaborated with a diverse group of peers to solve difficult assignments, communicating succinctly with one another.

Experience

CVS Pharmacy, Staten Island, NY- Customer Service Associate, March 2016-present.

- Greeted all incoming customers kindly and offered help when needed.
- Answered the phone in a kind and professional manner.
- Translated information to Spanish and Albanian speaking customers.
- Worked along with a team to ensure daily tasks were completed.
- Informed customers about new services and products that may interest them.
- Handled various difficult situations including angry customers and large workloads.

Skills

- Fast typer with experience using Microsoft Office Applications Suite and Google Suite.
- C++ 6/10.
- Python 2/10.
- Proficient in Albanian and Spanish.
