PROFESSIONAL SUMMARY

Highly motivated student looking to fulfill a position as an intern.

EXPERIENCE

CVS Pharmacy, Staten Island, NY- *Customer Service Associate*

March 2016-June 2017

- Greeted all incoming customers kindly and offered help when needed.
- Answered the phone in a kind and professional manner.
- Translated information to Spanish and Albanian speaking customers.
- Worked along with a team to ensure daily tasks were completed.
- Informed customers about new services and products that may interest them.
- Handled various difficult situations including angry customers and large workloads.

EDUCATION

Hunter College, New York, New York- *Bachelor's Degree in Computer Science.*

September 2016- PRESENT

- Achieved an A+ in most recent programming course, CS 135.
- Developed a bot for a final project in which dwarves were required to harvest resources. Surpassed the score requirement of 1000 by over 2000 points.
- Developed a custom solution over the summer for generating all possible combinations of a set of numbers if order is irrelevant. A working file named gtr_ss.cpp can be found on my GitHub account.
- Developed various projects for classes including a Caesar cipher, calculator, and a basic social media program.
- Collaborated with a diverse group of peers to solve difficult assignments, communicating succinctly with one another.

SKILLS

Fast typer with experience using Microsoft Office Applications Suite and Google Suite.

C++ and python programming.

Proficient in Albanian and Spanish.
